

# TRANSPORTATION LIGHTING SUPPLIER

HEAT SINK FOR HIGH POWER  
LED

## AVIENT SOLUTION

Therma-Tech™ TT6600-5001 EC Grey

## WHY AVIENT?

- Increase production rate by 50%, as three secondary operations were eliminated
- Reduced the weight of each part by 30%
- Collaborated with the customer to participate in the SPE Automotive Innovation Awards

## LEARN MORE

## KEY REQUIREMENTS

- A material to replace aluminum
- High thermal conductivity - 20 W/mK
- Electrically conductive
